

2022 年 3 月真题详细解析

SECTION I Listening

(25 minutes)

Part A

1 - 5 : A D B D C

6 - 10 : B C A B A

Part B

11 - 13 : A C D

14 - 17 : C A D C

18 - 21 : D C A B

22 - 25 : C A D B

听力原文:

Part A

1.

W: What a fantastic tie you've got, Adam!

M: Thanks. It's a birthday gift from my wife.

W: It goes so well with your shirt.

M: I was thinking of giving my father a wallet or a book on his birthday. But it seems that a tie is a better choice.

2.

M: Great party, isn't it? Ted and Jane always have great parties.

W: But this is my first. I only met Ted yesterday. He and I teach at the same school.

M: Oh, you're a teacher? What do you teach?

W: History, and Geography.

3.

W: You look so angry. What happened?

M: Nothing, I'd rather not talk about it. Just don't ask.

W: Come on. I think you need to let off some anger. Not have your feelings held back like that. It'll eat your life.

4.

M: What's the problem?

W: This cheese has gone bad. It's past the sale by date. I bought it in this shop yesterday.

M: Well, that's not really our fault. The supplier is responsible.

W: But you sold it in your shop. I'd like to get my money back, please.

5.

W: Stanley, there is a Mr. Miller on the phone who wants to talk to you.

M: I'm busy at the moment. Can you ask him to hold? Tell him I'll talk with him in a few seconds.

W: Sure, he's on Line 2.

M: Thanks, Jane.

6.

M: Are you staying long?

W: No, unfortunately only a couple of weeks.

M: On business or on holiday?

W: Business, I'm afraid. My company is setting up an office in London.

7.

W: My sister is really keen on soccer.

M: Really? What team does she support?

W: Not any in particular. She is an enthusiastic player. She's on the local women's team.

M: Well. If that's the case, you really must take me to see her play sometimes.

8.

W: I was almost fooled by a telephone call yesterday.

M: What's it about?

W: A week's vacation for two. But I realized it was a cheat when they told me to ring a special telephone number to claim the price.

M: Well, those calls are charged at unbelievably high rates.

9.

M: I'd like to recommend an extremely efficient work-out machine at this fitness club.

W: Great! I need your professional advice.

M: The rowing machine. So many people just ignore it, but it's a full-body exercise. It combines strength training with the heart.

10.

W: Hi, Mark! I heard you just had an interview for a new job? How did it go?

M: I think I did well. They said they'd make a decision by this Friday.

W: This Friday? It looks like they want to hire the person as quickly as possible.

Part B

Questions 11-13 are based on the following conversation between a man and a woman who have just arrived at the cinema.

W: Wow, look at the line. It's worse than I expected. We are lucky we got here an hour earlier. Or else we will definitely have had problems getting tickets. I'm glad we made the effort to come early.

M: Me too. I learned my lesson the last time I went to a new film. I didn't arrive early enough and ended up with a terrible seat all the way in the front row. Believe me, it was one of the worst movie experiences ever.

W: Yeah. I hate sitting in the first row.

M: By the way, it was really nice of you to get this ticket for me. Why don't I show you a bit of appreciation by getting you a drink?

W: That would be great.

M: OK. What kind of soda do you want?

W: Let me see. I'll take a large coke. Thanks a lot.

M: I'd better get going. You hold my place and I'll be back really quick. Oh, I almost forget. I'd better hold on to my ticket in case you get let in before I get back. If that happens, just save me a seat and I'll meet you inside.

W: OK. It's a plan.

Questions 14--17 are based on the following conversation between a reporter and a pop singer.

W: You two are quite different. How did your company put you two together as a team?

M: At first, they wanted to hear our harmony. We sang to them and they really liked to. So they decided that it would be best to put us together as a group.

W: What are some of the distinctive features of your music?

M: We have a variety of different songs; we have four different styles :soft rock, slow music, love songs and country music. But we are most at home with soft rock. I really like our voices merged together and I like how it sounds. Actually, there is a song called Studying. Our company really likes the song because it represents our voice.

W: What would you like to bring to the audience through your music?

M: I'd like to recommend our first song to everyone. The name of the song is Believe. The main idea we want to share is that we want to tell everyone you have to believe in yourself before people can believe in you. Actually we want to bring our music to everyone and make everyone happy. Music is something all around you. You can listen to music and you can feel what the music says.

Questions 18-21 are based on the following discussion about job applicants at an employment agency.

W: I don't think Poppas is right for this position.

M: I agree. He's got experience as a computer operator but he has very little training in programming. What about Anderson?

W: I like him. He seems very enthusiastic and he knows a lot about programming.

M: That's true. Do you think he is dependable enough, though? He's already had two different jobs this year. He might work for a couple of months and then decide to leave.

W: I suppose so. But his last supervisor wrote a three-page letter of recommendation. He says Anderson is an excellent programmer.

M: He probably is. But we don't want him to leave after we've spent a lot of time training him. Actually, I think Logan is the best candidate.

W: She hasn't worked since she got married, hasn't she?

M: She's been taking care of her family. But she is really devoted.

W: Oh, yes. The letter from her principal says she did a wonderful job. Do you think she'll be a good programmer?

M: I bet she will. She has an excellent letter of recommendation from her teacher at the institute she attended.

W: That's true.

M: And Logan seems more professional. She was well-dressed and seemed to have a very positive attitude about working for us.

Questions 22-25 are based on part of an interview on setting and reaching goals.

M: Well, what do you think is the reason most people do so badly at reaching goals?

W: They lose focus. Everybody's life is busy. There is so much happening in everybody's life. What happens is that they might have a goal and then something will get in the way of that. Maybe their goal is that they want to go on a holiday every year and they put in their leave form with their boss and their boss may ask them to wait for another month and then for another month. That is, so different things get in their way and people don't stand up for their goals. They don't struggle for them. They

let other forces push them around a little bit. Also, a lot of people don't set goals ; they think they do. But it's either a dream of a very loose goal. So when they have to make a decision about a necessary action in their life the goal is so far back in their mind that they don't act in its best interest. Also because people will sit down and say "oh , here are my goals" and forget all about them. Revisiting them every week is a good way. They stay at the top of your mind so you can take actions based on them.

Section II Reading

(50 minutes)

Part A

Text I

参考译文

未来的历史学家在着手记录我们这个时代的历史时，将处于一种独特的境地。面对源源不断大量积累的证据，他们几乎不知该从中选取哪些事实。此外，他们不必仅仅依赖文字资料。电影、留声机唱片和磁带会为他们提供海量多得让人眼花缭乱的信息。可以说，他们将能够看到和听到我们的实际行动。然而，试图重现远古历史的历史学家却总是面临艰巨的任务。他只能从仅有的寥寥无几的线索中尽可能地推断。哪怕看似微不足道的遗迹，也能为早期人类的历史提供有趣的线索。

到目前为止，历史学家们一直认为，日历是随着农业的出现而产生的，因为那时人类确实面临着了解季节的实际需求。但最近的科学证据似乎表明，这种假设是不正确的。长期以来，刻在墙壁、骨头和猛犸象象牙上的点、线和符号一直让历史学家们困惑不解。留下这些标记的游牧民族生活在大约公元前 35000 年开始至公元前 10000 年结束的最后一个冰河时代，以狩猎和捕鱼为生。通过对比世界各地留下的标记，历史学家们已经能够解读这种复杂的密码。他们发现，这些标记与日子的流逝以及月相有关。事实上，这是一种原始的日历。人们早就知道，画在墙上的狩猎场景并不单纯是一种艺术表现形式。它们有特定的含义，因为这已经是早期人类最接近书写的方式了。这些绘画与有时伴随它们出现的标记之间，很可能存在某种确定的联系。看来，人类为理解季节所做出的切实努力，比我们之前认为的要早两万年。

26. D 【解析】：文章中提到 “What is more they will not have to rely solely on the written word. Films, gramophone records, and magnetic tapes will provide them with a bewildering amount of information.”，说明未来历史学家不仅可依靠书面文字（written words），电影（Films）、唱片和磁带（Records and tapes）也能帮助他们推断我们这个时代，所以选 D “以上所有”。

27. B 【解析】：文中明确指出 “But the historian attempting to reconstruct the distant past is always faced with a difficult task. He has to deduce what he can from the few scanty clues available.”，即书写远古历史的历史学家面临困难任务是因为可用线索极少（few scanty clues），所以选 B。

28. **B** 【解析】：根据 “Up to now, historians have assumed that calendars came into being with the advent of agriculture”，可知人们一直认为日历随着农业的出现而产生，所以选 B。

29. **C** 【解析】：文中提到 “Historians have long been puzzled by dots, lines and symbols... They have found that it is connected with the passage of days and the phases of the moon. It is, in fact, a primitive type of calendar.”，表明这些点、线和符号实际上是一种原始日历（Early calendar），所以选 C。

30. **B** 【解析】：文章开头提及未来历史学家记录当代历史的情况是为了引出远古历史研究的困难，重点阐述了关于日历起源的新发现，即远古时期刻在各种物品上的标记其实是原始日历，所以 “The First Calendar（最早的日历）” 最适合作为文章标题，选 B。

Text 2

参考译文

人口众多的利弊长期以来一直是经济学家们讨论的话题。有人认为，优质土地的供应是有限的。为了养活大量人口，就必须开垦劣质土地，并且对优质土地进行精耕细作。因此，每个人的产出就会减少，这意味着平均收入要低于人口较少时所能获得的水平。其他经济学家则认为，人口众多为专业化的港口、公路和铁路等基础设施的发展提供了更大空间，而如果没有巨大需求作为支撑，这些设施不太可能修建。

实施全球计划生育项目的困难之一在于，各国政府对人口增长的态度因国家而异，这取决于其工业发展水平以及粮食和原材料的供应情况。在一个发展中国家，人口的大幅增长给食物、空间和自然资源的极限带来了巨大压力，政府首先要考虑的将是限制出生率，无论后果如何。在高度工业化的社会，问题可能更为复杂。出生率下降可能导致失业，因为这会造成制成品市场的萎缩。当人口对住房的压力降低时，房价也会下跌，建筑业就会受到削弱。考虑到这些因素，发达国家政府很可能更希望看到人口缓慢增长，而非人口稳定或减少。

31. **D** 【解析】：文中提到为养活大量人口，需开垦劣质土地并精耕细作优质土地，导致每人产出减少，平均收入低于人口较少时。由此可推断，人口少意味着更高的生产率（因为无需过度开发劣质土地等影响产出的操作），同时平均收入也更高，所以选 D。

32. **B** 【解析】：根据 “Other economists have argued that a large population gives more scope for specialization and the development of facilities such as ports, roads and railways”，港口、公路和铁路都属于交通系统（transport system），所以选 B。

33. **B** 【解析】：文中明确指出 “A decreasing birthrate may lead to unemployment”，即出生率下降（is decreasing）可能导致失业，所以选 B。

34. **B** 【解析】：文章最后提到 “Faced with considerations such as these, the government of a developed country may well prefer to see a slowly increasing population”，说明缓慢上升的出生率对发达国家（a developed nation）可能是有益的，所以选 B。

35. C 【解析】：文中提到 “One of the difficulties in carrying out a worldwide birth control program lies in the fact that official attitudes to population growth vary from country to country”，即实施全球计划生育项目困难在于各国政府对人口增长的态度不同，也就是不同政府对这个问题有不同观点（different governments have different views of the question），所以选 C。

Part B

参考译文

Patricia: 今年夏天我和大学的一群朋友坐欧洲铁路周游券出行。我觉得这次旅行总体很顺利，不过有几个朋友说他们再也不会这么做了——我猜这和他们预想的不太一样，可能没那么舒适。我们通常睡在旅社或者火车上，所以累得不行，但我觉得我们玩得很开心。明年我看看能不能少去几个地方，别把自己弄得这么疲惫。

Davis: 我和几个大学朋友在四周内旅行了大约6000公里。我们花了好几个星期规划路线以及打算去的所有地方。我还会再这么做吗？嗯，我得仔细考虑一下，但总体来说，这次旅行对我很有好处，因为我是官方翻译，这很棒，因为我平时不太敢和不认识的人交谈。在假期的最后一晚，他们请我吃了一顿非常昂贵的晚餐，感谢我帮他们的忙。这太棒了！

Jenise: 嗯，回想起来，我觉得我玩得挺开心，四周内游览了八个国家。一切都很顺利，但我想从现在起我可能会选择做点别的事。我想结识当地人，而不只是和铁路服务人员打交道！我确实认识了不少其他英国和美国的学生，他们都很棒，但这对我的法语和德语没什么帮助。

Nigel: 我觉得这绝对是游览欧洲最好的方式，尽管你得在出发前花钱买欧洲铁路周游券。我有个朋友搭便车旅行，他说那是唯一的旅行方式，因为免费，而且能看到更有趣的地方。但我知道，早上我想在哪跳上火车都行，而他可能还站在雨中盼着搭个便车。所以总的来说，我觉得我选的方式更划算，尤其是我还能坐夜车，省了酒店费用。

Hawk: 我已经这样做过好几次了，我已经习惯了这样的问题，比如因为火车到达太晚，我不得不睡在公园里，因为我找不到旅馆的床，而且我试图保持紧张的预算。人们经常犯的错误是在旅游景点下车。试着像我一样在小村庄下车。他们

通常很迷人，人们也更友好。即使他们听不懂你蹩脚的语言尝试，他们仍然会微笑和点头。

36. F 【解析】：帕特丽夏提到 “We usually slept in hostels or on the train so we were completely exhausted but I think we had a great time.” 表明旅行让他们疲惫不堪，但同时玩得很开心，与选项F表述相符。

37. D 【解析】“the trip was good for me as I was the official translator, which was great as I'm normally a bit shy of talking to people I don't know.” 说明这次旅行让平时害羞的他有机会和人交流，所以选项D正确。

38. A 【解析】“I think that from now on I'll probably choose to do something else.” 明确表示从现在起想做些别的事，即尝试不同的旅行方式，选项A符合。

39. G 【解析】“I think it's definitely the best way of getting around Europe...So all in all I think I got the better deal, especially as I could take the night train and save on hotel bills.” 认为这种旅行方式是游览欧洲最好的，且能省酒店费用，说明他觉得旅行物有所值，选项G正确。

40. B 【解析】“The mistake people often make is to just get off at the tourist spots. Try getting off the train at the little villages, like I do. They're usually fascinating and the people are friendlier, too.” 指出人们常只在旅游景点下车，而他会在小村庄下车看到迷人的地方和友好的人，即看到了大多数人错过的东西，选项B正确

Part C

参考译文

你听说过“公主病”吗？这病可糟糕了，(41) 会慢慢毁掉一个人的社交，还会让人越来越受不了她。得这病的人，没什么理由，就觉得自己比谁都强。

金就是个有“公主病”的女孩。(42) 她特别自以为是，觉得自己比朋友和大多数见过的人都好看。在她心里，她穿得比别人好看，歌唱得比别人好，舞也比学校里大多数人跳得好，这都是大家都知道的事儿。

那金觉得自己比别人都厉害，这想法对吗？(43) 她唱歌是还行，但还没好到能当主唱。当然啦，她觉得这是因为声乐老师讨厌她，因为老师皮肤不好，嫉妒她。她体育不错，可在学校的体育项目里，她不是最强的，跑得也不是最快的，甚至在哪个项目里都算不上最厉害的。(44) 她竞选班长，结果只得了第三名。她又觉得这是那些“看她不顺眼的人”搞的鬼。输了之后，她装作自己就是玩玩，没当回事儿，可实际上她心里特别在意。

金肯定是有“公主病”。要治好这病，就得别这么刻薄，谦虚点。这样的话，(45) 她的情况可能会好起来。要是她够努力，说不定能把这病给改掉。

41. **F** 【解析】 根据后文 “It wastes away at one's social life” 可知这种病对社交生活有不良影响，F 选项 “它有可能把一个人的朋友推开” 符合对社交方面不良影响的描述，所以选 F。

42. **A** 【解析】 后文描述金觉得自己各方面都比别人好，体现出她非常骄傲自负，A 选项 “她太自负了” 能够概括这种特点，所以选 A。

43. **E** 【解析】 后文提到金对自己在唱歌方面没达到更好水平的错误归因，E 选项 “她唱歌不错，但还没好到能当主唱” 引出她在唱歌方面的情况及后续她的错误想法，所以选 E。

44. **G** 【解析】 后文提到她对失败的错误归因，G 选项 “她竞选班长但只得了第三名” 讲述了她在某件事上的失败，符合上下文逻辑，所以选 G。

45. **D** 【解析】 前文提到治疗方法，D 选项 “那样的话，对她来说事情可能会变得更好” 承接前文，说明采用治疗方法后可能出现的积极结果，所以选 D。

Part D

参考译文

我们时不时会买到一些有缺陷的商品。这里有一个典型的例子：你买了一双鞋。一周后，鞋带突然断裂，使这双鞋无法穿了。你该怎么办呢？

虽然你没有义务退还商品，但一旦发现缺陷，尽快把它们拿回去是明智的。如果你不能马上回到商店，可能是因为你住得很远，或者商品体积庞大，你可以写信说你对产品不满意，并要求做出回收安排。任何无法解释或不合理的拖延都会削弱你的诉求。

许多人认为，对有缺陷商品的最初投诉应该向制造商提出。事实并非如此。你的合同是与零售商签订的，也就是卖给你商品的那一方，所以你应该向他投诉。在商店里要求见经理，或者在大型商店里要求见部门经理，这总是个好主意。要求见负责人也表明你从一开始就认真对待此事。不要被 “经理在开会” 或 “不在” 这样的间接回应欺骗。坚持一定有人被留下来负责，并且你要见到那个人。如果做不到，向店员登记你的投诉，并约定一个双方都方便的时间回访并见经理。

46. **E** 【解析】 前文说鞋带断裂，这会使鞋子 “无法穿”，unwearable 符合语境，所以选 E。

47. **J** 【解析】 尽管没有义务退货，但一发现问题就尽快拿回商品是 “明智的”，advisable 有 “明智的，可取的” 之意，选 J。

48. **I** 【解析】 此处表示一 “发现” 缺陷就尽快拿回商品，discover “发现” 符合语义，选 I。

49. **D** 【解析】ask for collection arrangements to be made 意为“要求做出回收安排”，make arrangements 是常用搭配，这里用被动形式，选 D。
50. **B** 【解析】complaint about sth.是“对……的投诉”的固定搭配，这里指对有缺陷商品的投诉，选 B。
51. **F** 【解析】前文说合同是与零售商签订的，这里 the party 指代“一方”，即卖给你商品的那一方，选 F。
52. **M** 【解析】It's a good idea to do sth.是固定句型，意为“做某事是个好主意”，这里指要求见经理是个好主意，选 M。
53. **O** 【解析】不要被“经理在开会或不在”这种“间接的”回应欺骗，indirect “间接的”符合语境，选 O。
54. **L** 【解析】leave sb. in charge 表示“让某人负责”，这里用被动形式，即一定有人被留下来负责，选 L。
55. **K** 【解析】在双方“方便的”时间回访经理，convenient “方便的”符合语义，选 K。

Section III Writing (45 minutes)

Part A

示例作文（非满分作文）

Dear Nancy,

I feel more than excited to write you this letter so as to extend my congratulation to you,since you have just got a Ph.D in law in England.

As your good friend, I am so proud of your current achievement that I decide to learn from your effort to become a better self. Furthermore, I miss you so much and your city, England, exerts a tremendous fascination on me. Luckily, I will attend a meeting in England next month and I wonder whether it is possible for you to to show me around the city.

It is my hope that we will have a happy reunion and at the same time, I am looking forward to hearing from you.

Yours,
Wang Lin.

Part B

示例作文（非满分作文）

The European Environment Agency's report shows that global warming is making extreme weather like heat - waves and floods a common summer occurrence

in Europe. It has also affected the world, causing economic losses and endangering lives.

From 1980 - 2021, EU suffered huge economic losses and many deaths due to weather - related disasters. Similar extreme weather events are happening globally, harming agriculture, infrastructure, and people's health. Qu Sixiao from Roland Berger says human - caused greenhouse gas emissions are the root cause of climate change, which leads to global warming and more extreme weather.

The situation is really worrying. We must take action right away. Governments should make strict rules to cut emissions, and we as individuals should also do our part, like using less energy. Only by working together can we save our planet from the bad effects of climate change.
